

SCHWALBE CYCLING CLUB 2009 Membership Application

The Schwalbe Cycling Club membership ranges from beginning category racers to National/World Champion medalists. We race primarily between April and September, but ride all through the year and are always willing to consider new members. We expect all members to attend group rides on a fairly regular basis, and strongly suggest that prospective members attend several of these rides to get to know other members and see if this is the right club for you.

As club members we all have a responsibility to our valued sponsors and our club in general. Our club offers many substantial benefits to its members and should these benefits be abused, all members stand to lose. We there for have had to put in place stringent measures to ensure this does not happen. The primary ones are, but not limited to:

- The club executive reserves the right to return any membership application for those who did not fulfill their volunteer requirements for 2008
- Respect the rules of the road, and behave in a professional manner at all times
- Goods purchased with club discount from our sponsor bike store is limited to stock with in the store and must be paid for in cash or cheque. Any special orders MUST be approved by Simon Ciceri the store manager/owner.
- Purchase of a full or part bicycle from Louis Garneau is limited to members in good standing (met last year's volunteer requirements).
- Adhere to the volunteer requirements as determined at the 2009 Annual General Meeting or by agreement of the club directors. Failure to do so my result in non membership for 2009 and or removal of access to "Pro deals" supplied by or via the club (e.g., tires, bike, store discounts)
- Purchase (at a minimum), one club jersey for new members upon submitting your membership application. Clothing MUST be in your possession, OR, a 100% deposit before access is granted to club "Pro Deals" as noted above.
- EVERY renewal member MUST provide proof of owning club clothing or a 100% deposit is required before application is accepted.
- Club members will wear Schwalbe club clothing when racing or on group rides.

Failure to adhere to these measures can result in a loss of club benefits up to full dismissal from the club, as so directed by the club directors.
